

# Long Coat

## LONG COAT SHAMPOO

### ACTIONS

- ✓ Nourishes the hair
- ✓ Gently cleanse
- ✓ Straights and detangles
- ✓ Brings shine and radiance

### INGREDIENTS

#### JOJOBA OIL

Omega 9, or oleic acids, help the skin's hydro-lipidic film to recover. The hair is nourished and the skin is softened. These two factors bring shine to the coat. The hair being nourished, its scales will be closed, the disentangling will thus be facilitated.

#### EVENING PRIMEROSE

Tocopherols (or vitamin E) pick up free radicals and neutralize them to protect the skin from cellular damage. Omega 6 (linoleic acids) contributes to membrane fluidity. The skin and the hair are nourished. They gain in elasticity and are therefore fortified.

### DIRECTIONS FOR USE

Apply to wet coat, gently rub then rinse thoroughly. Renew the application and let stand 2 minutes before rinsing out. Avoid contact with eyes. Suitable for puppies and cats with long hair.

### EXISTING PACKAGINGS

Available in 250ml, 1L, 5L and 20L.
