

Nutri Repair

SENSITIVE SKIN & DAMAGED COAT SHAMPOO

ACTIONS

- ✓ Nourishes in deep
- ✓ Repairs damaged coats
- ✓ Gentle cleanse
- ✓ Soothes irritations and calms itching

INGREDIENTS

BURDOCK + AVOCADO

Flavonoids in aloe vera will heal cell damage. The healing of damaged tissue will calm irritations and itching. Inulin (fructose oligosaccharide) in burdock extract, will allow a strong hydration by retaining water. The hydration of the hair will facilitate disentangling. Sterols restore the hydrolipidic film. The skin and the coat are repaired and gain in elasticity. The scales are then closed, bringing shine to the coat. Omega 6 (linoleic acids) and 9 (oleic acids) contribute to the membrane fluidity and the reconstitution of the hydrolipidic film. The skin and the coat are nourished, gain in elasticity and are therefore fortified.

TAMANU

Omega 3 (linolenic acids), protect the skin and provide elasticity. The terpenic alcohols contained in tamanu oil also allow the healing process of the skin.

DIRECTIONS FOR USE

Apply to wet coat, gently rub then rinse thoroughly. Renew the application and let stand 2 minutes before rinsing out. Avoid contact with eyes.. Suitable for pies and sensitive skins, dry/damaged coats.
