

Xtra Liss

STRONG DETANGLER

ACTIONS

- ✓ Detangles
- ✓ Removes most difficult mats and tangles

INGREDIENTS

RICE PROTEIN

Rice proteins have the ability to swell in the presence of water. This creates a volumizing effect to the hairs. This ability also contributes to the hydration of the hair. In fact, the proteins create a physical barrier against external aggressions. This physical barrier keeps the water in the hair, thus maintaining hydration for the hair.

DIRECTIONS FOR USE

Spray directly onto knots, let stand for 2 minutes, brush against the direction of the hair then brush normally to untangle. It can be used before the bath and also on wet coat before the drying. Avoid contact with the eyes.
