Also Available: Chicken Fillet

**Adult 1+ year** **Complementary**

almo nature  
ALL PROFITS TO THE PLANET

Fondazione  
Capellino

HFC Mini Food snacks for cats are made from natural ingredients: tasty chicken or tuna HFC fillets, that is, originally fit for human consumption and now used in our recipes for cats. The same quality as we would choose for ourselves. HFC Mini Food snack, ideal as a reward or to crush hunger cravings, to maintain cats' natural need to eat several small meals per day. The plastic and aluminium pouch, chosen for proper product storage, can be reused to produce energy if disposed of correctly. HFC Mini Food – HFC chicken or tuna fillets – is available in convenient 3 g pouches. Almo Nature is the activist pet food brand owned entirely by Fondazione Capellino.
